Article 100 of the Treas! manual requiring that the first pay-bill of a European should have a certificate by the Head of the Dept. that the necessary sanction of the Govt. of India has been obtained, quotes as authority G.O. no. 6901-40 / G.M. 249-06-19 dt 11.5.1907.

7 In connection with the delay in the encashment of ~~These~~ bills of Mr Macintosh, the Secy to the ~~Govt~~ Govt instructed me orally to find out why the Comptr ~~should~~ has given discretion to refuse to pay the salary of European officials in the absence of a certificate in their first bills that the Sanction of the Govt of India has been obtained.

8 ~~There is, of course~~ It is no doubt an anomaly that the Comptr should have discretion to refuse to cash the salary bills of an Ar Dy appointed by this Govt.

An order of notfn of this Govt ought to be accepted as Conclusive proof of all formalities having been previously observed.

9 No rule requiring the sanction of the Govt of India for the employment of Europeans by the Durbar has a political bearing. The Account officer subordinate to this Govt has no concern with it.

10 The present procedure is, however, based on Rly-6-R08284-300-Cir270 of 22-3-1887. The original file relating to that Rly-6 is not available & the circumstances leading to that Circular are not therefore known

It is likely that this procedure was prescribed to have an outside check on the work of the Secretariat in a matter which has an important bearing on the Dewan's relations with the G of I, and the overlooking of which is very undesirable.

11 It is no doubt necessary that the rule ~~not~~ against the employment of Europeans without the sanction of the Govt of India should be strictly enforced.

12 But it seems to me that it is wrong in principle to ask Heads of Depts to certify on pay bills that such previous sanction of the Govt of India has been obtained. The correspondence

with the Govt of India - as with the Hon'ble the Resident - is carried on by Govt & Heads of Depts are not ordinarily furnished with copies of communications that pass between the Dunbar & the Residency.

13 So far as a Head of a Dept is concerned he cannot look beyond the Govt & unless he gets a copy of the Govt of India communication he cannot in Conscience ~~certify~~ ~~Host Quarter~~ sign the certificate that is prescribed. In the case of Mr Macintosh the Dy C asked for a copy of the Resr's letter before he would & could ~~certify~~ sign the certificate.

14 It seems to me, that the proper thing is to require the Heads of Depts to certify on the first pay bill that the previous sanction of Govt. (of Govt of India)

has been obtained this certificate will enable the audit office to see that proper formalities have been observed as they can refer to the copy of the J.o. that will have been communicated to them In communicating such orders to the audit office a copy of the actual Resident letter sanctioning the employment may be forwarded to the Comptroller. As can be seen from the O.M. of 1907 one of the abuses was that Heads of Depts appointed Surgeons without the previous sanction even of Govt: this can be prevented by retaining the certificate as amended:

1 There is nothing anomalous ~~of~~ in asking the Audit Office to see that ~~one of~~ the Condition—absent the sn of the Govt of India being obtained in the case of appointments of Europeans — is ~~not~~ fulfilled.

India It is not necessary that a copy of the letter from the Resr should be ~~sent to the~~ seen by the Head of the ~~Mr~~ Deptt before such a certificate can be given and no difficulty in furnishing the certificate cannot thus be real. I remember that a similar objn was taken by the Audit Office in the case of the 1st para bite of the present Chief Justice Sir Lucifer. Perhaps Br III has some papers relating to that occasion the Audit Office in that case was met and that any difficulty by the insertion of such a certificate.

It does not therefore seem to be necessary to alter the old G.O. as suggested.

34 The principle is quite right & in fact the anamoly often struck me. I cannot however recollect whether the question was actually raised before this.

35 Where as in ~~work~~ all cases (at any rate of ~~Govt Offrs~~ forefilled Offrs) all appointments are made by Govt, the insertion of another certificate seems to be meaningless. It would be better to apply this only to cases which do not otherwise come upto Govt.

36 The order may issue as corrected.
